

(a) L1, first x86, Kafka

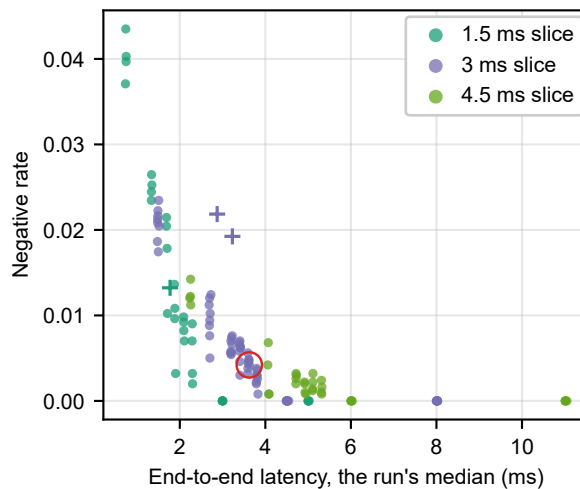

(b) L1, first x86, Redis

(c) L4, Arm64, Kafka

(d) L4, Arm64, Redis

✕ cross: not counted (a condition did not take, or the stopping rule stopped it)
 + plus: a run of a false start
 ○ ringed red: a pause held a message over 150 ms

◇ diamond: the stopping rule would have stopped it
 square: end-to-end latency, publish latency or held delay far from its fellows'
